
Title: Soul Announcement

Author: The Herald

The Swords of Unity and
Light

Do publicly declare the
following,

As misconceptions seem
to have been presented
to the public.

The S.O.U.L. Alliance is a
group of equal ranking
members from those who
follow the Virtues and
Light. All leaders of
SOUL are of equal
standing and have been
since it's forming. The
only allegiance sworn is
to one another and not
fealty. All parties signing
the agreement are equally
subject to its content as
any other members.

SOUL represents
lightbringers who would
stand as one against evil
and those who would
attempt harm against any
member. We offer aid to
one another as brothers
and sisters should
whether in battle,
commerce or friendship.

No where within the
S.O.U.L. Alliance
agreement does it nor
has it ever asked for
fealty sworn nor does it
state it is the Alliance
of one kingdom or one
guild. It does not state
anywhere within and never
has that one order
controls over another.
Decisions and business is
conducted where each
group is heard and a

vote taken.

SOUL has noted that it
has been referred to as
the Stormhaven Alliance,
it is not.

To this end do the
Swords of Unity and
Light make this public
notice.
